

Ventilation Kit With Thermostat ZW series

Ventilation kit with thermostat designed for cooling cabinets to maintain optimal operating temperature for the devices inside the enclosure.

visualization of the ventilation kit with thermostat

visualization of the thermostat KTS-011 for ventilation kit

features:

- compatible with SZM, SZW, SZWD, and SZWM series,
- designed for installation on dedicated cabinet ventilation holes,
- closing thermostat allows automatic activation of fans when the internal cabinet temperature exceeds the set value,
- rail connectors ensure convenient installation,
- perforated TH35 mounting rail,
- ventilation kit consisting of a 4 or 2 fans, powered by 230V,
- recommended installation at the top of the cabinet.

standards and certificates:

- flammability class V0 acc. UL 94,
- PN-EN 62262 - impact protection degree IK 20,
- REACH Regulation No 1907/2006/EC,
- RoHS 2011/65/UE.

*The manufacturer reserves the right to make modifications and improvements to the product.
Therefore, the products shown in the illustrations and photographs may differ slightly from the actual state.*

Ventilation Kit With Thermostat ZW series

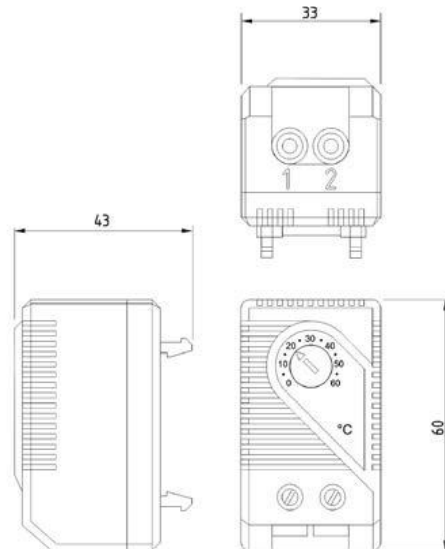

technical specifications:

Thermostat	KTS-011
dimensions [width x height x depth][mm]	33 x 60 x 43
sensor type	thermostatic bimetal
max. operating voltage AC [V]	250
max. inrush current [A]	16 for 10 sec.
temperature setting range [°C]	from 0 to +60
hysteresis	7 +/- 4
operating temperature [°C]	od -45 do +80
mounting type	DIN 35 mm mounting rail (EN 60715)
ingress protection degree IP	IP 20
flammability class	V0 acc. UL 94
weight [kg]	~0,04
material	plastic
available colors	RAL7035
