SZMH series

features:

- mast rack cabinet designed for outdoor installation, used in optical access networks also with automation and control systems,
- rack solution allows the installation of devices adapted to the 19-inch standard,
- the hermetic construction ensures a high protection degree against adverse weather conditions and unauthorized access,
- allows for optimal cable management and safe storage of network equipment,
- PG13.5 gland allows the installation of cables (\varnothing 8 - 12 mm),
- cabinet equipped with a single door locked with a key, key code depending on preferences can be repeatable or different,
- maximum opening angle of the front door up to 120°,
- designed for installation on a mast with a diameter of 35 - 50 mm or on a wall,
- cable entries located at the bottom of the housing,
- Magnelis® sheet is the only metallic coating certified for use in a C5 environment, which provides durability and protection against corrosion.

elements of equipment:

- rack mounting rails,
- PG13.5 cable glands (acc. to configuration),
- mounting kit (4x wall anchors).

equipment ordered separately:

- mast holder made of INOX steel,
- 19" 3U voltage distribution panel,
- mounting plate.

standards and certificates:

- flammability class V0 acc. UL 94,
- PN-EN 60529 - ingress protection degree IP 65,
- PN-EN 62262 - impact protection degree IK 10,
- REACH Regulation No 1907/2006/EC,
- RoHS 2011/65/UE.

*The manufacturer reserves the right to make modifications and improvements to the product.
Therefore, the products shown in the illustrations and photographs may differ slightly from the actual state.*

Hermetic 19" Mast Rack Cabinet

SZMH series - outdoor

technical specifications:

SZMH-19"	6	9	12
dimensions [width x height x depth][mm]	590 x 450 x 400	590 x 520 x 430	590 x 660 x 430
rack standard	19"		
rack unit height [U]	6	9	12
rack mounting depth [mm]	290	320	
number of rack rails	2x front		
type of cable entry	PG13.5 cable gland		
diameter of cable entry [mm]	ø 22.5mm (3x bottom)	ø 22.5mm (5x bottom)	
type of door	single door		
doors construction	solid		
removable side panels	NO		
thermostat	YES (equipment ordered separately)		
grounding details	doors, roof		
mounting type	outdoor, mast, wall-mounted		
temperature resistance [°C]	from -40 to +70		
ingress protection degree IP	IP 65		
impact protection degree IK	IK 10		
flammability class	V0 acc. UL 94		
weight [kg]	~13	~14	~17
material	powder painted Magnelis® sheet		
available colors	RAL7035
