

Rack Shelf PR-10" series

The solid rack shelf PR-10 series is designed for installation in 10" ODF cabinets and racks. It ensures the installation of devices and accessories without RACK mounting brackets in server and telecommunication cabinets.

visualization of the 1U PR rack shelf

features:

- designed for installation in 10" cabinets and racks,
- the shelf has many perforations to ensure proper heat dissipation from the devices placed on it,
- high-quality construction with 4-point mounting provides durability and structural stability,
- Magnelis® sheet is the only metallic coating certified for use in a C5 environment, which provides durability and protection against corrosion.

elements of equipment:

- mounting kit (4x screws and cage nuts).

standards and certificates:

- flammability class V0 acc. UL 94,
- PN-EN 62262 - impact protection degree IK 10,
- REACH Regulation No 1907/2006/EC,
- RoHS 2011/65/UE.

Rack Shelf PR-10" series

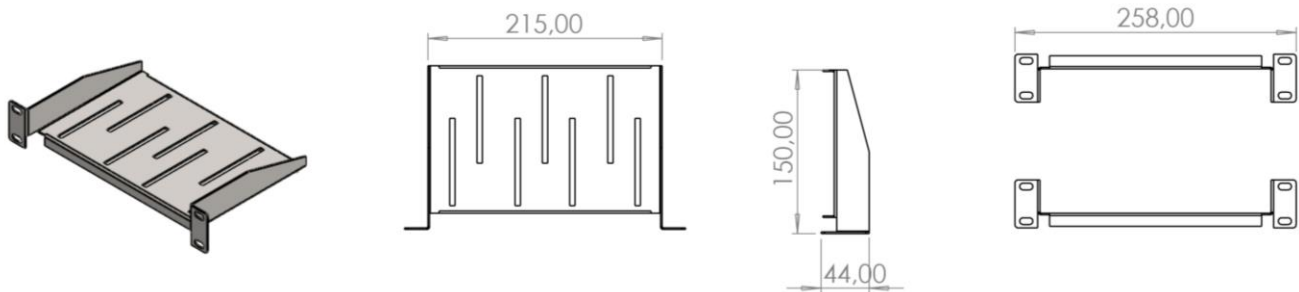

technical specifications:

PR-19"	15
dimensions [width x height x depth][mm]	254 x 44 x 150
rack unit height [U]	1
adjustment of the installation depth	NO
mounting type	front
temperature resistance [°C]	from -40 to +70
ingress protection degree IP	IP 41
impact protection degree IK	IK 10
flammability class	V0 acc. UL 94
weight [kg]	~1
material	powder painted Magnelis® sheet
available colors	RAL7035
